REPUBLIC. MARKSMEN DAILY Present

MOST PREFERRED WORKPLACE FOR WOMEN 2024-2025
CERTIFIED™

*Empowering Women,
Powering Business Growth*

Team Marksmen's Most Preferred Workplace for Women 2024 spotlighted organisations making critical headway in crafting elevated workplace experiences. The world as we know it is changing, and many truths we once held dear have now evaporated into the ether. One of these long-held beliefs is that of the representation of women in the workplace, particularly so in the Indian context, where very nearly 70% of the workforce is comprised of men. For a nation that looks to make the most of its demographic dividend, we simply cannot countenance this trend to continue.

There are a few organisations, though, that truly champion the idea of diversity in the workplace. By crafting a workplace culture that nurtures women at all levels and creates pathways for growth and success, they have earned the right to be acclaimed as a **MOST PREFERRED WORKPLACE FOR WOMEN**.
